Dear Mr. Stoker,

State Water Board Member DeeDee D'Adamo would like to arrange a meet and greet with you in the near future when she is either in the Bay Area, LA area, Santa Barbara, San Joaquin Valley or Sacramento areas. She is hoping to pair your meeting with other visits. DeeDee is the ag member on board and Austin Ewell suggested the two of you meet. If you have a scheduler I should be working with, please provide me with their name. Thank you.
